Your Help is Needed!

Please help keep our buildings clean during this time when we do not have a cleaning service. Until a solution is found to fit our needs it will take everyone doing their part to keep things orderly and clean:

1. Sunday School and children's Group leaders are asked to empty trash and straighten rooms after class.
2. Wednesday Group leaders are asked to vacuum and straighten Fellowship Hall before leaving.
3. Office Staff will clean offices.
4. Volunteers are needed to clean bathrooms and hallways. Please call the church office if you will volunteer to be take a turn.

We can do this!

Thoughts From Doug

It is the day after the election and the sun still came up today!! I have sensed that there has been a great deal of anxiety felt by friends and acquaintances, regardless of their political views and convictions. I trust that you were a good steward of your responsibility and privilege to exercise your voice and vote. I was proud to see Hardwick Baptist doing its part to encourage neighborhood voting by once again providing our fellowship hall as a polling place. I went over and spoke to the poll workers on three different occasions throughout the day, thanking them for being there and for their role in our democratic process. Now that decisions have been made I trust that we remember our role as citizens who are followers of Christ. I hope that we continue to have faith in the way of Christ. Following in His steps means that we seek to be a servant to all, and to stand up for those who are often disenfranchised. We are to speak out on behalf of those who do not have a voice. We are to use any influence we may have in a manner that works to ensure that all people feel welcome to the table. That means welcoming people to the table of Christ that we share in fellowship as Christ-followers. It also means working to make our community, and our world, a place where all people feel they are welcome, loved, accepted and included. So we are thankful that we live in a place where we have a voice in choosing our elected officials. Even more, we are thankful to serve the One who left His life of privilege and lived as a suffering servant among those who were overlooked by both the government and the religious authorities of His day. May God help us to exercise our freedom and our convictions in a manner that is faithful to His life and His sacrifice.

Love and Blessings!
Doug Adkins
